

# 0 601 830 202 – GWS 15-125 CIH

Material number	0 601 830 202
EAN	3165140416979
Baretool number	3601H30200
Backing flange SP no. 2 605 703 014	✓
Locking nut ET no. 1 603 345 043	✓
Protective guard 1 605 510 365	✓
Two-hole spanner ET no. 1 607 950 052	✓
Vibration Control auxiliary handle 2 602 025 171	✓
Package (L/W/H)	0x0x0 mm
Voltage, electrical	230 V

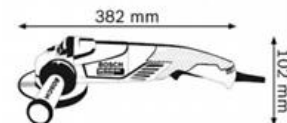

## Technical data

### Technical Data

Rated power input	1500 W
No-load speed	11000 rpm
Power output	860 W
Disc diameter	125 mm
Rubber sanding plate, diameter	125 mm
Wire cup brush, diameter	75 mm
Weight without cable	2,3 kg

### Functions

Starting current limitation	✓
Champion motor	✓
Constant Electronic	✓
KickBack Stop	✓
Smooth start	✓
Overload protection	✓
Anti-rotation protective guard	✓
Restart protection	✓

## Sales information

---

### Key Message

- High power with perfect handling

### User benefits

- Good handling due to ergonomic handle with softgrip and best power-to-weight ratio for continuous use and overhead work
- The powerful 1500 W Champion motor with restart protection and Constant Electronic
- KickBack Stop: detects when the tool is jammed and shuts it down immediately

### Other features

- Vibration Control auxiliary handle with 40% vibration reduction for low user fatigue (EN 60745)
- Constant Electronic for constant speed, also under heavy load
- Anti-rotation protective guard – quickly and easily adjustable, provides reliable protection
- Overload protection, soft start and starting current limitation
- Gear head can be rotated in 90° steps
- Handle can be used on right or left
